Dear Ms. Kristensen:

On September 27, 1995, the Board of Oil, Gas and Mining formally approved the form and amount (\$4,604,000) of replacement reclamation surety as provided by Kennecott Barneys Canyon Mining Company for their Barneys Canyon Mine. The reclamation surety is in the form of a surety bond (#14-96-09) issued by American Home Assurance Company. The Division hereby grants its final approval of this replacement reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files with the effective date of September 29, 1995. Also enclosed are original copies of the old Reclamation Contract dated October 26, 1994, and the Safeco surety bond #5696724 with accompanying riders.
